

# 5 REASONS TO BOOK WITH US

## 1. Your own personal travel expert

We believe that holidays are personal. That's why you'll have your own personal travel expert who cares about you and your journey, and will build a holiday that fits you perfectly, saving you the time and hassle of organising everything yourself.

## 2. Your money is completely safe

Nobody protects your money like Travel Counsellors – in fact our unique financial protection is the very best in travel. Everything that you book with your Travel Counsellor is completely protected, so all you'll need to worry about is what you're going to pack!

## 3. A global community of travel experts

With over 1,500 friendly and experienced Travel Counsellors around the world, we have an unrivalled global community of travel experts sharing knowledge, ideas and recommendations, which means accurate and vetted holiday recommendations and local knowledge behind every single booking.

## 4. We're independent

We're not tied in to any specific airlines, hotels, cruise lines or attractions providers so you can be absolutely confident that the holiday your Travel Counsellor recommends has been built to suit your exact needs and budget and selected from a huge bank of over seventy thousand global travel suppliers.

## 5. Nobody cares more than we do

Your personal Travel Counsellor will take the time to understand what you like and what you don't. And our unique service extends well beyond simply booking your holiday. With our 24 hour Duty Office constantly monitoring global events, our huge portfolio of vetted accommodation and suppliers and the individual care of your Travel Counsellor, you are truly in the safest possible hands.

# 100% FINANCIAL PROTECTION

It's important to me that you're not worrying about losing money when you should be looking forward to your holiday! Your peace of mind is so important to us that Travel Counsellors introduced its Trust – a financial guarantee to cover every single booking.

Our Trust is much more comprehensive than basic ATOL protection, because you're covered for everything, not just the bits of your travel which includes flights.

From airport parking to transfers to car hire, when you're booking travel with me every penny is protected. No ifs, buts or maybes.
